[This schedule may change, so check on our site for updates!!](#)

The question we get asked most frequently is, "When will UpRiver Village "launch" and be able to provide services to seniors? Our target launch date is July 1 of 2025 but the date depends entirely on our ability to recruit for the following key volunteer positions:

- Steering Council Secretary
- Communications Assistant
- Outreach Assistant
- Volunteer Management Assistant
- Events Management Assistant
- Tech support (two positions)

Please contact us at 503 489 8813 or contact@uprivervillage.org if you or someone you know is interested in helping us out with these tasks.

UpRiver Village is looking for even more volunteers to take on smaller tasks in marketing and organizational development.
